If you permit another person to have access to your Card, Card Account, Card number or Personal Identification Number ("PIN"), we will treat this as if you have authorized such use and you will be liable for all transactions and fees incurred by those persons. You must not send your Card, Card Account Number, or PIN to any person. Your initial value load must be at least US\$25. You may value load your Card Account to a maximum of eight (8) loads per Day/Week/Month, but the maximum cumulative amount of value loads is US\$4,000 over any 24-hour period and US\$50,000 during a month.

- 12.1.** If you are entitled to a refund for any reason for goods or services obtained with your Card, you agree to accept credits to your Card Account for such refunds and agree to the refund policy of that Merchant. If you have a problem with a purchase that you made with your Card, or if you have a dispute with the Merchant, you must attempt to handle it directly with the Merchant. Merchant refunds in an amount the same or less than the amount of the corresponding debit will post to the Card Account when they are received. We have no control over when a Merchant sends a refund transaction; there may be a delay between the date of the refund transaction and the date the refund amount is credited to your Card Account.

13. Foreign Currency Transactions

- 13.1.** If you obtain funds or make a purchase in a currency other than USD currency in which your Card Account was issued, you will be charged a fee equal to 3.75% of the total amount of the transaction. If the Foreign Transaction results in a credit due to a return, you will receive a refund for the Foreign Transaction Surcharge based on the exchange rate at the date and time of the credit; the amount of the refunded Foreign Transaction Surcharge may be more or less than the Foreign Transaction Surcharge paid at the time of the original purchase.
